Operation Christmas Child

Making Jesus’ Name Known Across the Globe:

In the mountains by Mexico to the islands in the Pacific and to unreached people groups. People groups are considered unreached with the Gospel if less than two percent of their overall population professes belief in Jesus Christ. OCC is so important to help spread the Gospel through shoeboxes and the discipleship program called “The Greatest Journey” (there is a copy to look at on the OCC table in the back – take a look at it). Through this twelve lesson program, millions of children in unreached areas are coming to know Christ as their Savior, growing in their faith, and sharing the gospel. God is growing and multiplying the body of Christ all over the world through OCC shoeboxes.

Boxes can be brought to church from now until Sunday, November 14, 2021.

Sunday sermons can be viewed on our [Arthur Evangelical Free Church YouTube Channel](#) or [Facebook](#) page. Our service can also be viewed on the Ida Grove Cable Channel on Sunday afternoons at 3 p.m.
