There needs to be one usher in the foyer to help late comers, answer phone and be available if something happens. Each usher can pick one week to be in the foyer. The first name for each month is designated as the lead usher for that month. Please make sure that there are ushers for the service. If you cannot be there please find a replacement for that Sunday. If you have any questions, please contact Jim Porter at (712) 367-2251 or at [jsporter@gmail.com](mailto:jsporter@gmail.com). Thank you for serving the Lord in this way.
